## OUR GREEN STORY

### #STAYWILD

Scotland's forests need rewilding! We've teamed up with 'Trees for Life' since 2011 to restore 600 square miles of native Caledonian Forest. Through the 'Stay Wild' project, we've raised funds and planted hundreds of trees in our 'HAGGiS Grove'.

### SUSTAINABLE TOURISM

We're all about protecting the Scotland you'll fall in love with. Partnering with TreadRight Foundation, we're going Net Zero with a five-point Climate Action Plan to cut carbon and hit zero emissions by 2050.

# MOUNTAINS, GLENS AND THE LOCH NESS MONSTER

**SMALL  
GROUP  
TOUR**

→ HUNT FOR THE BEAST ON THE LOCH NESS CRUISE → EXPERIENCE HIGHLAND LIFE IN FORT AUGUSTUS  
→ SEE THE MELANCHOLIC BEAUTY OF GLEN COE → FIND OUT WHY THE GREAT GLEN IS SO 'GREAT'

**Get ready to dive headfirst into Scotland's wild side on this epic Loch Ness adventure! We're talking dramatic mountains, monster legends, and scenery so stunning you won't want to blink. Whether you're cruising Loch Ness looking for the elusive Nessie, soaking up the history of Glen Coe, or just trying to keep your jaw off the floor as we travel through the Highlands, this is a day packed with stories, sights, and pure Scottish vibes.**

Leaving the city buzz of Glasgow behind, we head north into Loch Lomond & The Trossachs National Park, a land of lochs, legends, and eye-popping scenery. From there, it's straight into the Highlands, with a stop at Glen Coe, famous for its dramatic peaks and haunting past.

As we venture further north, you'll catch stunning views of the Commando Monument and the Nevis Range, with a glimpse of the mighty Ben Nevis — the tallest mountain in the UK.

Next, we head to Fort Augustus, a charming village on the banks of Loch Ness. Here, you can hop on an optional boat cruise to try your luck spotting Nessie, or just relax along the Caledonian Canal.

On the way back, we'll take you through the rugged beauty of Cairngorms National Park, wrapping up an unforgettable day before heading back to Glasgow in the evening.

## LOCH NESS CRUISE

People can't describe it. The feeling on that loch is just strange. Is it because it's enormous? Or because of the monster? Join the Loch Ness Cruise and find out for yourself. There's sonar and underwater imaging systems to hunt out the beast and an onboard bar for a beverage or coffee for those who don't believe in it.

Cruise duration is approximately 50mins.

# GLENS, COASTS & THE HARRY POTTER TRAIN

**Get ready for a day full of epic Scottish highlights! Traverse through one of Scotland's most famous national parks, soak up the history and charm of character-packed towns, take in the jaw-dropping views of Glen Coe, and cap it all off with the ride of your life on the real Hogwarts Express from the Harry Potter films.**

We're off from Glasgow bright and early, hitting the road through the stunning Loch Lomond & The Trossachs National Park. From there, we travel through the wild and rugged Rannoch Moor, before making a stop at the iconic Glen Coe – the scenery here will seriously blow your mind.

Next up is the legendary Hogwarts Express! Leaving from Fort William, the Jacobite Steam Train travels towards the jaw-dropping west coast, crossing the famous Glenfinnan Viaduct as seen in the Harry Potter movies. Hop off in Mallaig, a quaint fishing town where you'll have time to grab lunch and maybe try some of the fresh local seafood. After lunch, we continue our adventure along the scenic Appin coast, passing Kilchurn Castle along the shores of Loch Awe.

We'll then make our way to Inveraray, a historic town by the calm waters of Loch Fyne. After a quick explore, we'll finish up the day with epic views of the Arrochar Alps as we traverse the Rest and Be Thankful viewpoint, before heading back to Glasgow in the evening.

With a local guide sharing the fascinating history and stories behind these iconic sites, you'll visit fan-favourite spots like Midhope Castle, the real Lallybroch; Doune Castle, home to Clan MacKenzie; and the dramatic Blackness Castle, standing in for Fort William.**

Our adventure kicks off in Glasgow as we journey to Doune Castle, known to *Outlander* fans as Castle Leoch. Explore this stunning 14th-century fortress and imagine life in the Highlands.

From there, we'll wander through Culross, the charming village that brought Cranesmuir to life, where you can visit Claire's herb garden. After soaking in the atmosphere, we'll make our way to Falkland, which transforms into 1940s Inverness, perfect for lunch and checking out the iconic Bruce Fountain.

## DOUNE CASTLE\*

*Outlander* fans will recognise it as Castle Leoch, the seat of Clan MacKenzie. Doune Castle is one of the best-preserved medieval strongholds in Scotland. Built in the 14th century, the castle has survived bloody wars and Scottish rebellions. It's also been a filming location for *Monty Python & The Holy Grail* and *Game of Thrones*!
